

## NEW YORK UFO-60 FLOATING BIO FIREPLACE

BIO-40-006

This unique and rustic ceiling-mounted bio fireplace from Hein & Haugaard is handmade, making each fireplace unique with its own personal expression. With visible welds and a raw design, the fireplace is a beautiful combination of the organic and the rustic. With a capacity of 1.5 litres, it provides up to 6 hours of burn time per refill. Due to the flame effect, the fireplace will develop a natural gold/copper colour over time. The bio fireplace is easy to install and comes with ceiling brackets.
