

FOCO TWO 1000

BIO-30-105

Foco Two 1000 is an elegant double-sided tunnel bioethanol fireplace designed for built-in installation, allowing you to enjoy the flames from two opposite sides. This fireplace is perfect for partition walls or as a room divider between the living room and kitchen. You can choose between manual or automatic bioethanol burners, offering adjustable flame levels and remote control for added convenience. Made from 4 mm powder-coated stainless steel with tempered glass, the Foco Two ensures a stable and beautiful flame experience, adding a modern touch to any home.
