

## RICHMOND - BIOETHANOL FIRE STOVE WITH FLAT BACK

BIO-20-299

This Bioethanol Stove is an eco-friendly alternative to traditional wood stoves. Its classic design fits perfectly against a wall, making it a stylish addition to any home or summer house. The 1.3-liter burner offers up to 6 hours of burn time, providing long-lasting warmth and ambiance without the need for refilling. The glass door enclosure ensures safety while enhancing the viewing experience. Without the need for a chimney or exhaust this bioethanol stove is easy to install and maintain, making it a convenient and environmentally friendly heating solution.
