

## ULVIK - CAST IRON BIOETHANOL FIREPLACE

BIO-20-901

Ulvik is a freestanding bioethanol fireplace made of cast iron from ScandiFlames, inspired by traditional Scandinavian wood stoves featuring elegant iron carvings. The burner has a capacity of 1.5 liters, providing approximately 5 hours of burn time per refill, and it comes with adjustable flames that output up to 2.1 kW of heat. The decorative top with a handle can be removed for a more streamlined appearance, and a small cooking plate will be available, allowing you to heat a pot of tea or similar items, adding extra functionality. The fireplace requires no chimney or electrical connection, making installation easy and flexible.

### TECHNICAL SPECIFICATIONS

#### Key Specifications

Product type	Bioethanol Stove
Brand	ScandiFlames
Included	Bracket
Included	Glass
Included	Extinguishing Tool
Included	Bioethanol Burner
Included	User guide
Use	Indoor
Warranty	2 years

#### Dimensions & Weight

Length/Width	43,8 cm
Height	69,7 cm
Depth	38,7 cm
Weight	60 kg

#### Technical Specifications

Minimum room size	50 m <sup>3</sup>
Fuel	Bioethanol
Burning time up to	5 hours
Capacity	1.5 Litres
Heat output (max)	2,1 kW
Consumption	0.3 L/h
Recommended air change rate	1

#### Burner Specifications

Adjustable flame	Yes
Control	Manual
Burner Model	1.5 Litros Premium
Flame length	15 cm
Remote control	No

#### Material and Appearance

Material	Cast Iron
Colour	Black

Flame view	Front
Decoration	Not included
Glas included	Yes

**Installation Details**

Flue/Chimney	Not Required
Power Requirements	No
