

ROLF - BRICK WHITE

ELP-50-419

The Rolf electric fireplace combines timeless design with modern technology. It is made from the durable Lightstone® material with an authentic white brick look and a hand-finished antique oak wood top. With a heating output of 1.5 kW, it can be used year-round, either with or without heat. Choose between two insert options, PowerFlame 1 or PowerFlame 2, for realistic flame effects. The fireplace features energy-saving functions such as a digital thermostat and a 7-day schedule. Its nearly silent operation and included remote control make the Rolf a stylish and functional choice for any home.

TECHNICAL SPECIFICATIONS
