

EVERMORE BUILT-IN ELECTRIC FIREPLACE

ELP-80-159

The Evermore Built-In Fireplace is a sleek, wall-mounted electric fire in elegant black, crafted to deliver a stunningly realistic flame effect. Available in a range of sizes from 106.7 cm to an impressive 213.3 cm in length, with a slim depth of just 12.9 cm, it fits seamlessly into both new builds and existing wall features. With intuitive remote and app control, you can easily adjust flame settings and heating output up to 1.5 kW, creating the perfect atmosphere at the touch of a button. A perfect choice for modern homes that value comfort, convenience and contemporary design.
