

SUPERB 3D 80 CM BUILT-IN ELECTRIC FIREPLACE

ELP-80-160-80

The Aflamo Superb 3D 80 cm is a built-in electric fireplace featuring an advanced three-dimensional flame effect that adds depth, glow and movement to the fire display. Supplied with removable side panels, it can be configured as a 1-, 2- or 3-sided installation, making it suitable for a wide range of fireplace projects. With 3D LED flames, glowing ember bed, crackling fire sound effects and full control via app, remote control or front panel, it delivers an immersive fireplace experience all year round – with up to 1.5kW heat.

TECHNICAL SPECIFICATIONS
